

MARINA GIRLS SOCCER

Sponsor-A-Ball Drive

We are kicking off a SPONSOR-A-BALL DRIVE. Each year we need purchase new soccer balls for several reasons: 1) they will no longer hold air , 2) through the course of play the ball gets kicked over the fence and into the ditch, or 3) they either get lost or stolen from the playing field.

In our SPONSOR-A-BALL DRIVE we are asking for individuals to donate \$10.00 towards a new soccer ball. Your support will be a powerful contribution to the success of an emerging elite program for girls soccer. In addition, each donation is tax-deductible; each donor will receive a receipt.

Your sponsorship will not only benefit this tremendous youth activity, but will be recognized in our year end program.

Please cut off and return with your donation.
